

Navig8 – Frequently Asked Questions

Does Navig8 cover the vessels and cargo?

Navig8 covers physical loss or damage to the cargo only.

Is marine cover only whilst on board the vessel?

Marine risks cover cargo by means of:

- | | |
|----------------|--|
| Land including | stand alone Inland Transit for clients and/or Cartage Contractors and/or Transporters carrying third party cargo |
| Sea | whether packed in Full Container Loads, Less than Container Loads or Break-Bulk (i.e. cartons on pallets shrink wrapped) |
| Air | Airfreight |

Can Navig8 write Stock Throughput policies?

Yes Navig8 does cover Stock Throughput policies and/or Freight Policies (Clearing & Forwarding Agents) subject to satisfactory detailed claim statistics.

What risks are excluded?

Some Major Marine Exclusions are:

- Consequential Loss
- Delay
- Demurrage
- Inherent Vice or nature of the goods
- Insolvency or Financial default
- Insufficient packing
- Inadequate Stowage
- Political Confiscation
- Radioactive Contamination
- Shipping Containers
- Trade Ullage
- Wilful Misconduct of the Assured
- War Risks on Land

This list is not exhaustive so refer to the existing to the policy document at all times.

Where requested for quotes and the claims submitted to?
