

DO YOU WANT ADMED?

The recent media coverage regarding Guardrisk's successes in the Supreme Court of Appeal and in the Constitutional Court which now unconditionally allow the company to continue selling its Admed products, has created much public interest.

Admed products are currently only available, albeit on a voluntary individual basis, to group/company (employer) memberships. Limits regarding the minimum number of individual members exist for control purposes as we always need to ensure that the individual is a member of a registered medical scheme.

Individuals who are interested in these products, or their representative Human Resources managers, can contact Rookshana Jooma on 011 – 269 0524 - or go to the "Admed" menu item of our website www.guardrisk.co.za - for more information.
